MESSAGE FROM THE GEN. SECRETARY

*"Every child deserves a chance to shine,
and sports give them that platform. The
Youth Khelo India Federation is committed
to discovering talent, building confidence,
and shaping the future of Indian sports.
Through structured training, grassroots
outreach, and inclusive opportunities, we
aim to reach every corner of the nation.
Our goal is not only to create champions
on the field, but also to build responsible,
disciplined, and confident individuals off
the field. Together, we are nurturing the
dreams of young India and paving the way
for a brighter tomorrow."*

VISION & MISSION

To create a future where every child dares to dream big, plays with passion, and stands proud as a symbol of India's sporting strength.

We envision stadiums filled with pride, fields echoing with victory, and a nation united through the spirit of youth. Our dream is to make India a global sporting icon — one champion, one child at a time.

To discover hidden talent in every corner of the country, to build confidence through the power of sports, and to shape responsible, disciplined, and fearless youth who lead with courage both on and off the field.

We are committed to breaking barriers, providing equal opportunities, and creating leaders through sports.

Our mission is not just to train athletes, but to inspire life-long champions in character, strength, and spirit.
